MORE THAN 5,000 CASES OF CHOLERA REPORTED IN A DAY.

Province of Ilo Ilo, Island of Panay, Suffers Worst From Scourge—Survivors Flee.

Manila, Sept. 30.—It is announced that 5,124 cases of cholera and 2,740 deaths from that disease were reported in the Province of Ilo Ilo, Island of Panay, on Monday. This is the highest record for any district since the outbreak of the disease occurred and exceeds the total of Manila and many of the Provinces since the commencement. The town of Misao, in the Province of Ilo Ilo, was the worst sufferer. 1,175 cases being reported there Monday. At Cabatuan there were 800 cases and at Dumaraog 300 cases were reported Monday. The people are fleeing to the mountains, leaving the dead unburied and the dying uncared for. The Government has ordered additional doctors and medicines to be sent to Ilo Ilo. The number of victims makes ordinary sanitary measures impossible. The totals for all the Provinces Monday were 5,300 cases and 1,000 deaths.

EFFINGHAM CARNIVAL OPENS.

Inclement Weather Prevents Big Crowd First Day.

REPUBLIC SPECIAL.
Effingham, Ill., Sept. 30.—The Effingham Street Fair was opened this morning with bad weather, a slight rain having fallen all last night. More than 70 exhibits have been entered, chief among which is the unprecedented fruit display. The fair is a success.
The St. Louis Cardinals arrived in the city to-night from Indianapolis and will play an exhibition game with the local team to-morrow. Special trains on three roads will handle the crowd.
The crowning of Miss Nellie Johnson, Queen of the Carnival, will take place at 11 o'clock in the morning. On Friday the corner-stone of the large new plant of the American Condensed Milk Company of Indianapolis, which is being built here, will be laid with appropriate ceremonies, the stone being placed in position by Miss Anna Althoff, a farmer's daughter and first maid of honor to the Queen. Thursday is Woodman Day and thousands of neighbors are looking for from all over Central and Southern Illinois.

ASKS FOR AUXILIARY BISHOP.

Recommends the Reverend J. J. Harty of St. Leo's Church.

Roma, Sept. 30.—Archbishop Kaln of St. Louis, Mo., has changed his request for a Coadjutor to the Archbishopric of St. Louis to asking for an Auxiliary Bishop, designating the Reverend J. J. Harty of St. Leo's for the position.

Archbishop Kaln Denies Cablegram.
Archbishop Kaln declared yesterday that there was no foundation for the cablegram. "You can say for me that it is a 'fake,'" said the Archbishop. "I have never asked Rome for a Coadjutor. If I have asked for an Auxiliary Bishop I am not prepared to state my selection. The cablegram is not authentic."

The Reverend Father Harty stated that he had seen Archbishop Kaln frequently, but he had never been informed that he was recommended for the position. The Reverend Father Harty is pastor of St. Leo's Church.

AGAINST IMPORTED LABOR.

Bill in Cuban Congress Would Affect the United States.

REPUBLIC SPECIAL.
Washington, Sept. 30.—To insure employment for Cuban labor in the many commercial enterprises which are contemplated in the island is the purpose of a bill introduced in the Cuban House of Representatives. It provides that no concession or franchise shall be granted any one without the assurance that the labor employed will be 80 per cent Cuban.
The operation of the proposed law will affect the United States more than any other country, for the reason that most of the enterprises are backed by American capital and doubtless many contractors would prefer taking laborers from the United States.
The bill is regarded as one of a number of measures which have been inspired in Havana by the hard feeling awakened by the United States' failure to accept reciprocal legislation in the last Congress.

MRS. DUFFY'S FUNERAL TO-DAY.

Services Will Take Place at St. Malachy's Church.

The funeral of Mrs. Elizabeth Duffy, who died at her home, No. 227 Clark avenue, Monday morning, will take place this afternoon at St. Malachy's Catholic Church, Clark and Ewing avenues. The service will be conducted by the Reverend Father Charles Ziegler and the interment will be in Calvary Cemetery.
Mrs. Duffy was 79 years old. Her death was the result of an injury sustained ten months ago by a fall. She has since been confined to her bed. Her husband, who was an engineer, died several years ago. She is survived by three daughters and a son, who is connected with the Fire Department.

HOUSE PASSES LIGHTING BILL.

Fontana Is Undisturbed by Appellation of "Mr. Mayor."

The two bills providing for the construction of electric lighting plants at the City Hall and Insane Asylum, which were introduced a month and a half ago at the request of the Board of Public Improvement, were passed last night by the House of Deputies by a solid vote of the sixteen members present.
It is estimated that the establishment of plants in these two institutions will result in a saving to the city of about \$15,000 annually. The plant at the City Hall is to cost \$20,000 and the one at the Insane Asylum \$12,000.
Chairman Penny of the Committee on Engraving and Enrolled Bills, which body reported the two measures favorably, denied that there had been any unnecessary delay in the handling of them.
The bill was passed to change the name of Duncan avenue between Euclid and

Considerable amusement was caused by Jim Cronin addressing Speaker Fontana as "Mr. Mayor." Fontana was not in the least disturbed by the appellation.
